5th-6th grade English Adventures in Writing

Fill your child's writing lessons with excitement with IEW's Adventures in Writing. Using topics such as Roman hoplites, tornadoes, treasure maps, and more, your student will learn to write the IEW way: with understandable and achievable structure and creative style. This G Student Book contains 30 lessons in seven units. Each lesson has instructions, one or more source texts, worksheets, assignment checklists, and vocabulary practices and quizzes.

Easy Grammar allows students to understand grammar to be able to become good writers.

Students will also read four novels throughout the school year and have in class and take home projects with each book.
